U.S. Army Reserve Command

OSJA USARC Steps:

1. Train a OSJA, USAR officer on use of the Unit Training System (UTS):

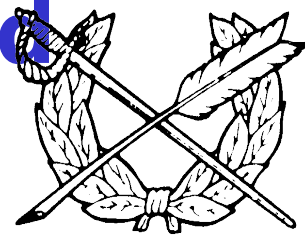

-to track ongoing ODT process;

-to enter JA unit information into ODT system;

-to review historic use of JA ODT interaction.

U.S. Army Reserve Command

OSJA USARC Steps (continued):

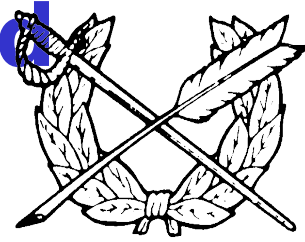

2. Develop a cyclic training scheme for rotation of JAG personnel to ensure a fair distribution of ODT assignments;
